Dear Mr Baker

Please find enclosed a copy of a letter I have received from Brian Sangha who attended your match on Saturday 12<sup>th</sup> September 2009 in his capacity as a Referee Assessor.

The Association has to act when poor behaviour is reported therefore it is only right that we should draw to your attention the good side of the game.

Well done both clubs.

Kind regards

Yours sincerely

Dear Keith,

**Re: Lanes End v/s/ Pembury – Kent County League, Division 2 (East)**  
**Saturday 12<sup>th</sup> September 2009**

I was appointed to assess referee Stephen Cole at the above fixture.

Given the FA's Respect in the Game programme and our own drive to improve standards of behaviour from players, officials and spectators, I would like to place on record how impressed I was with the behaviour of all concerned at this game.

To see two teams exchange very visible greetings before the game and to follow this with exemplary behaviour during the game was most encouraging. Players and the referee played their part well, but the conduct of club officials was also noteworthy. The Referee's decisions were accepted and even when one player decided to show dissent he found that others were not prepared to join in. This caused him to look around and when no support was forthcoming he decided to get on with the game..

Well done to both clubs and their officials. I hope others will be encouraged to follow their example!

Regards
